

Hello and Christmas greetings to my friends  
at Rosyth Baptist church.

Gil has said he will contact as many of you as possible for me. Thanks Gil. I miss you all as I visualise you there in the fellowship. Like that I can pray for you in these difficult times. I see some of you as I do join each week in your worship services. Just because you don't happen to be seen you are still prayed for and messages that are sent are appreciated. Thanks.

We too have on-line services here and keep in touch with an on-line WhatsApp prayer group when we find ourselves looking forward to those Wednesday evenings. Like all of us the New Year has a lot of changes that are happening. Let's call them opportunities as new directions come up. Well Jesus did read Isaiah 61 then tell people what He had come for then said "so you go" and I will return. A tall order and circumstances stop us in our tracks I know but it is possible.

I like the picture someone sent me of sheep wearing gay leg warmers and pom-pom colourful hats. Um! Yes. Look after and love one another, feed my sheep is what He gives to us for 2021. He will show us how.

So Happy Christmas  
and blessings in 2021

Norma.

To My friends at Rosyth Baptiste
